

Returning Student-Athletes and Parents

The following information is extremely important for athletic preparation and eligibility at Community Colleges of Spokane (CCS). The primary concern of the Athletic Training Staff and team physicians is to provide medical care for student-athletes at CCS. Please read these instructions, complete the appropriate forms, and mail all documents needed to the address below. If you have questions, please contact the HEAD COACH for your sport.

In the required packet, you will find the following forms and requests for associated documents:

1. NWAC Athletic Questionnaire/Recruiting Disclaimer

This form contains all required NWAC and CCS required eligibility information. This form must be fully completed, signed and dated.

2. Health History

RETURNING STUDENT-ATHLETES: You are only required to have a full physical exam your first year. Each subsequent year you will be screened by the Athletic Training Staff for changes in your medical status. If needed, you will be referred to a physician for further examination and clearance to participate. If you are currently experiencing a medical problem or have had any major illnesses or significant injury since your last health screening you must provide a written release authorizing your participation in varsity collegiate athletics from your treating licensed health care provider. If you were treated by a Community Colleges of Spokane Athletic Training Staff member and/or team physicians, we will provide this release for you.

3. Insurance Information

Community Colleges of Spokane provides secondary insurance coverage for all student athletes which is in effect during officially scheduled and supervised participation in varsity athletics. Summit America medical insurance administers this excess athletic policy which is designed to pay the balance of covered expenses up to the maximum of the policy after the bills have been processed through the primary insurance. In other words, the Summit America policy is intended to pay any deductibles or co-pays the primary insurance does not pay. Any student athlete who sustains an injury that occurred during supervised participation (when a coach is present) is covered under this secondary policy, up to the policy limits and under its restrictions. The primary insurance will be billed first and student-athletes and/or their parents/guardians if under age 18 are responsible for providing the remaining statement balance to the insurance coordinator for processing payment. Information on the Summit America policy is available upon request of the Athletic Department Administrative Assistant or Athletic Trainer.

In order to provide the proof of primary insurance you must attach a COPY of your insurance card(s) front and back to the insurance form submitted to Community Colleges of Spokane.

4. Student-Athlete Authorization for Release of Protected Health Information

The Athletic Training Staff may refer student-athletes to medical specialists based on a particular issue or injury. In this circumstance, an authorization is necessary for the Athletic Training Staff to provide protected health information to the medical specialist. The Student Consent for Release of Protected Health Information form provides this authorization and is valid for 380 days from the date of your signature.

5. FERPA Consent Form

This form provides consent for college officials to share educational records orally or in writing in order to ensure maintenance of athletic eligibility. This form must be signed and dated to authorize such disclosures.
